

THERE WILL BE A SURPLUS

SECRETARY CARLISLE SO INFORMS THE SENATE.

THERE WILL BE PLenty OF REVENUE

The Receipts Now Expected to Exceed the Ordinary Expenses During the Present Calendar Year by Twenty-Two and a Half Millions—The Letter Received With Considerable Interest.

WASHINGTON, Feb. 5.—When the senate met to-day the vice president laid before the members the following letter from Secretary Carlisle in response to the Gorman resolution of inquiry adopted last week:

In reply to senate resolution of January 28, 1894, that the secretary of the treasury be directed to inform the senate what the estimated deficiency in the revenues of the government to pay current expenses between the 31st day of December, 1894, and the 31st day of December, 1895, and if the \$153,337,379.99 cash balance in the treasury on the 31st day of December, 1894, will be sufficient to meet such deficiency, I have the honor to state that from estimates made upon the basis of laws now in force, it is believed that for the twelve months ending December 31, 1895, the revenues of the government, from all sources, will exceed ordinary expenditures by \$22,963,093. Respectfully,
J. G. CARLISLE,
Secretary.

The reading of the letter was closely followed by the senators, and Mr. McPherson of New Jersey went to the clerk's desk to personally inspect it. Then Mr. Aldrich of Rhode Island sent for it and a group of Republican senators gathered about him and read it over his shoulder. Mr. Gorman smiled significantly at the secretary's direct and positive estimate of the amplement of the revenues.

Mr. Vilas of Wisconsin from the judiciary committee favorably reported the bill retiring Mr. Justice Howell Jackson from the United States supreme court bench and asked immediate consideration of the measure, but Mr. Aldrich, still holding Secretary Carlisle's letter, suggested that there were some other things that would prevent the consideration of the bill and it accordingly went over.

LAND COMMUTATION OPPOSED

Secretary Smith Against the Bill for Short Final Proofs on Homesteads.

WASHINGTON, Feb. 5.—Secretary Smith has made an adverse report on the house bill for the relief of settlers on public lands lying in semi-arid sections. The object of the bill is to allow certain settlers in the Dakotas, Nebraska, Kansas and Oklahoma to make final proofs on their homestead and timber claims at the end of two years of continuous settlement and improvements instead of five years, as the law provides. A large number of these settlers have been obliged to leave their homes temporarily to support their families because of long continued drought.

Secretary Smith advises against the legislation in view of the act authorizing local officers to grant leaves of absence to settlers on public lands who, through total or partial destruction of crops or failure of crops or other unfavorable casualty, are unable to support themselves and family on the land settled on.

AWFUL COLD WEATHER.

Forty-Eight Degrees Below Zero Up in the Rainy Lake Region.

DULUTH, Minn., Feb. 5.—Several reports have been received in Duluth during the winter of prospectors in the Rainy Lake and Seine river gold country being frozen to death. A man by the name of McLain was picked up within two miles of Rainy Lake city on New Year's day frozen stiff, after he had walked only one mile. The thermometer was 42 degrees below zero.

Yesterday J. A. Melrose, who owns a great deal of valuable gold property in the Rainy Lake and Stone river district, received a letter from James Cummings stating that of a party of nine prospectors who were near Wild Potato creek, about 100 miles from Rainy Lake city and about fifty miles from Fort Francis, on New Year's day, he was the only survivor.

GLASS FACTORY BURNS.

One Located at Monaca, Penn. Destroyed With a Loss of \$175,000.

ROCHESTER, Pa., Feb. 5.—The Phoenix Glass factory, located at Monaca, across the river from this place, burned yesterday afternoon. The loss is \$175,000; some insurance. The works were the principal ones of the town, employed 500 hands and were owned by a stock company.

Another Wichita Scandal.

WICHITA, Kan., Feb. 5.—Judge Reed to-day appointed W. E. Stanley, R. R. Vermillion, S. B. Amidon, C. G. Brooks and C. V. Ferguson as a commission to investigate charges of the Sedgwick county bar that attorneys have collected costs from clients and have failed to bring them into court. These complaints have become a matter of public scandal.

A Town Wrecked by Earthquakes.

OAXACA, Mexico, Feb. 5.—The earthquake shocks which have been felt in the district of Tuxtepec almost daily for the past four weeks are becoming more frequent and severe. Almost every house in the town of Tuxtepec is in ruins.

Deadly Mine Explosion in France.

OUTLAWS CAUGHT.

The Notorious Shelly Brothers Taken After a Hot Fight.

CHECOTAH, Ind. Ter., Feb. 5.—Sheriff W. F. Lake, of Pawnee county, Ok., and posse, consisting of Deputy Sheriff F. M. Canton and Dr. Bland, of Pawnee, Deputy Marshal Dean Hogan, of Muskogee, Deputy Marshal John McCane and Robert McCane, of Checotah made an important capture of Will and John Shelly, alias Pierce, ten miles east of here yesterday. The Shelly brothers, who were held for grand larceny, broke jail at Shawnee September 5 last. When captured they had in their possession several saddles and harness which have been claimed by citizens of Checotah. They were apprehended in a house owned by Sterling Hood, who knew nothing of their reputation as criminals, and when ordered to surrender they opened fire, wounding Deputy McCane and Dr. Bland slightly. The officers returned the fire, shooting Will Shelly through the leg. Coal oil was procured and the house was set on fire. After about seventy-five shots were fired and seeing that all hope of escape from the flames and the determined officials was gone, the two desperate men surrendered, and were brought to Checotah. Sheriff Lake and his posse will leave here to-day with his prisoners and will travel overland to Pawnee.

SIMPSON IN BALTIMORE.

Kansas Congressman Talks to His People of the "Earthly Paradise."

BALTIMORE, Md., Feb. 5.—The big Front Street theater was filled yesterday by workingmen, assembled to hear Congressman Simpson of Kansas tell of the "Earthly Paradise." Mr. Simpson said during his discourse: "I do not believe in strikes. In my opinion they give no relief to the working people. I believe that the working people when they have a grievance should wait and wait patiently until election day and then right their wrongs at the ballot box. The land question is the main one of the times. It is the wealth-producing element. You have the evil here in the East greater than in the Western virgin soil. Here in the East monopoly is a curse. I am a strong Populist on the land question, although I am not in favor of many of the other principles of the Populist party."

CONDUCTORS DRAW THE LINE.

Members Must Renounce Allegiance to the A. R. U. or Leave the O. R. C.

CHICAGO, Feb. 5.—The fight between the American Railway union and the old railway brotherhoods, which antedated the strike last summer and became more bitter at that time because the old brotherhood men refused to join in the strike, has not been softened by the hand of time. Instead, the feeling between the rival bodies has apparently become more intense. Yesterday the subject was discussed at length by 200 or more leaders of the Order of Railway Conductors, and an almost unanimous expression was found in the adoption of a resolution recommending to the coming biennial convention of the grand division that the line be drawn in the order to exclude all members who refuse to renounce allegiance to the American Railway union.

Sullivan on a Tear.

KANSAS CITY, Mo., Feb. 5.—John L. Sullivan has been on another tear. At Kansas City last Saturday he staggered through his part at the matinee, was too drunk to appear at night, dragged a calf from a farmer's wagon, carried it into the saloon of Ex-Alderman Foley and placed it on the counter, and then engaged in a friendly wrestling bout with an ex-fireman, rolling over and over in the sawdust on the saloon floor. He was finally hustled off about midnight in a hack and dumped on to a St. Louis train.

Chinese Peace Envoys Ordered Home.

HIMOSHIMA, Japan, Feb. 5.—The envoys from China, who were sent to negotiate for peace with Japan, will leave this city for Nagasaki to-day. An examination of their credentials revealed the fact that the envoys did not have plenary power to treat for peace, and they were thereupon told that they had better return to their own country.

THE MARKETS.

KANSAS CITY, Mo., Feb. 5.—The first cars of wheat on sale to-day brought a little more than Saturday's prices and wheat of old stores held a little higher. Receipts of wheat to-day 2 cars, a year ago 1.9 cars.
